

TCl Europe Community of Practice

Our Mission:

To provide support to fellow professionals working with children and young people through reflection, engagement, sharing of practice and experiences within the TCl community.

Our Vision

Helping children to thrive

Our community of practice is aimed at TCl trainers across Ireland and the UK. This will be a place where people can meet to discuss what is working or not working with TCl and its implementation within their organisations. These sessions will be facilitated by TCl instructors to start with. Any ideas for topics to discuss in future sessions are welcomed.

**Our second meeting will be held on:
14th November 2023 at 2pm.**

***Topic: TCl Sustainability and Sustainment - Lisa McCabe PhD, Research Associate, Cornell University
An opportunity to share, reflect and discuss the challenges in implementing and sustaining the TCl system.***

To register your interest, please email ams354@cornell.edu

These meetings will take place virtually over zoom and all TCl trainers are welcome.

We look forward to seeing you there ...
